

Kasasa® is Here!

Are you still on the fence about opening a checking account? Well ponder no more because Kasasa is the free rewards checking account with no maintenance fees you have been looking for. With a couple simple monthly qualifiers, you could start earning rewards on not only your savings account but your checking, too!

KASASA®

The things you need to do to get huge rewards each month are likely a part of your everyday banking. Simply make 12 debit card transactions and check your account via home banking each month. How simple is that? If you can do that you are on your way to free rewards.

These rewards could be 2.00% interest, Cash Back on purchases, or money to spend at iTunes, Amazon, or Google Play. Wait, it gets better! Add on the Kasasa Saver and you can earn 0.75% on your savings account as well. These are rewards we all deserve! Contact your local branch to get started or visit us at www.kswfcu.org for more details.

Planning Your Financial Future

Making an investment can be extremely stressful. What type of investment should I make? Whose advice should I follow? How much should I spend? Is it safe? How much money will I get in return? These are just some of the questions you will ask yourself when planning that next big step.

KSW has a solution and you probably didn't even know about it. That solution is named Zach. **Zach Longley** is a financial planner/analyst with **Northeast Planning Associates** and he works directly with KSW members in the branches.

Whether you are investing money, getting ready for retirement, been through a divorce, or simply want to know how to become financially savvy Zach can help. Consultations with Zach are a perk of being a member at KSW FCU and should be taken advantage of. All you have to do is call your local branch and schedule a time to start planning your road to financial success.

Three-Time Olympian Helps Maine Credit Unions Celebrate a Milestone Achievement

Recently, KSW FCU was part of a celebration — a big one! At an event that featured three-time Olympian **Devon Harris**, who was also one of the inspirations behind the blockbuster movie *Cool Runnings*, the official, record-breaking total for the 2017 Maine Credit Unions' Campaign for Ending Hunger was announced: **\$740,027.35**, a new fundraising milestone!

Harris, who formed a foundation in 2006 which includes helping make sure children have enough to eat so they can do better in school, praised the credit union effort. "You are providing hope to kids I was once like. Empty cupboard, no food, been there done that. The help that the credit unions in Maine are giving to kids and adults, in general, through your Campaign is amazing. You have found a cause and you are making a difference in the lives of the people in your state. What I would say to you in closing, though, is don't stop now — the need remains and people need the hope that having enough to eat provides."

Since 1990, the Maine Credit Unions' Campaign for Ending Hunger has raised more than \$8 million to help end hunger in Maine. All contributions to the Campaign are tax-deductible.
